Dear Fr. Arasu,

On behalf of the United Board, I am pleased to inform you that the Board of Trustees has approved the following grant for **St. Aloysius College** for the fiscal year 2022-2023. Please note that only this proposal listed below was selected for funding:

Creative Approaches to Peace for Whole Person Education

This three-year project is a foundational attempt that enables the faculty and students to understand peace through activities-based pedagogy and the use of arts for peacebuilding. It proposes to create "Peace Warriors" through creative approaches to peace. The project proposes to conduct certificate courses, workshops, lectures, group discussions, etc. It intends to establish a conceptual understanding of how arts could be used to establish peace. It envisions demonstrating a basic understanding of the domain of arts in peace studies and their long-term ramifications.

The 1st year (FY 2022-2023): US\$ 4,060

*Recommended amount for the 2nd year: US\$ 4,060**

*Recommended amount for the 3rd year: US\$ 3,960**

Total for the project: US\$12,080

*Approval for the second/third year as a simple addendum to this agreement subject to review of a progress report and other terms indicated herein is required. Actual awarded amounts for the second/third year are subject to the updated budget as applicable but not exceeding the recommended amounts indicated above.

The grant is available after December 1, 2022, upon written request, subject to evaluation of the requested date relative to the project schedule, and pending receipt of a signed copy of this letter, which constitutes the grant agreement. For multi-year projects, approval for each year as a simple addendum to this agreement subject to review of a progress report and other terms indicated herein is required.

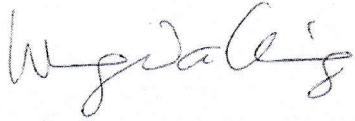

Please sign, keep a copy, and return this grant agreement together with a written request for the grant.

Regarding the above grant, **St. Aloysius College** agrees that:

1. The grant will be used only for the project described in the request.
2. The grant will be used according to the budget submitted in the grant proposal and will not be expended for any other project without prior approval, in writing, by the United Board. The United Board staff will evaluate the project work schedule and depending on the circumstances agree to a reasonable timing for the disbursement of funds.
3. You are encouraged to announce this grant, and we ask you to review any written materials relating to it prior to release. We also request that the United Board's support be acknowledged in any publication and activities including conferences, workshops, and seminars concerning this project. The acknowledgment must use the full name of the *United Board for Christian Higher Education in Asia* while subsequent reference can be to the *United Board*. Name and logo should be used according to the guideline in www.unitedboard.org.
4. If any part of the grant is not expended for the project as described in the proposal, the grantee institution will notify the United Board. In such a case, the United Board has the right to change the terms or cancel the grant, and the grantee institution agrees to return any unexpended funds. U.S. Internal Revenue Service regulations, which govern the United Board's charitable status and allow the United Board to receive tax-deductible contributions in the U.S., expressly prohibit the use of grants for non-charitable purposes.
5. Institutional staff, who carry out the project, will keep detailed records of activities, rationale, and outcome of these activities, as well as expenses incurred to facilitate the reporting process.
6. The United Board may monitor the progress of the project funded by the grant; discuss the project, implementation, and finances with representatives of the grantee institution; and review financial records and other material connected with the project. The United Board, at its sole discretion, may elect to terminate or not fund subsequent years and will not be held liable for any damages resulting from its decision.
7. An annual progress report, and a second/third year work plan with an updated budget as applicable, are to be submitted by **December 31 of each year**. A completion report for each grant will be sent to the United Board upon completion of the project, but no later than **December 31, 2025**. The reports will include both narrative and financial sections and follow United Board suggested report format to the extent relevant. The second/third year grant is available upon the return of a signed addendum for the corresponding year subject to the terms listed herein.
8. The grantee institution will comply with the USA Patriot Act and U.S. Presidential Executive Order 13224, which prohibit funding and the provision of resources and support for individuals and organizations associated with terrorism and/or drug trafficking. It is the legal responsibility of the grantee institution to ensure compliance with these laws.
