Expert talk on “Recent Trends in Computer Science and Job Opportunities” and “Eras of English Literature”

Date: 06 August 2022

Report: On 06 August 2022, the Department of Computer Science hosted a guest lecture titled “Recent Trends in Computer Science and Job Opportunities.” The lecture, delivered by Mr. Chandra Shekhar Shukla, Director of Rostris Infotech, was attended by students from BCA II year, B.Sc. III year, and B.Com III year. The attendees found the session highly beneficial.

Coinciding with the guest lecture organized by the Department of Computer Science, the Department of English also held an expert talk on August 6, 2022. The focus of this enlightening session was “Eras of English Literature,” a topic that spans centuries of literary evolution and cultural change..The expert talk was aimed at students of all years who have a keen interest in literature.

Impact: Students highly benefited from these guest lectures.

Training Program on “Empowering Entrepreneurship- Best out of Waste”

Date: 24th February 2021

Report: The Entrepreneurship Development Cell, in conjunction with the Women's Cell, hosted a training program titled "Empowering Entrepreneurship - Best out of Waste" on February 24, 2021. This initiative aimed to foster entrepreneurship skills among participants while promoting sustainability through the creative reuse of materials. Through practical demonstrations and interactive sessions, attendees learned how to transform waste materials into valuable products, contributing to environmental conservation and economic empowerment.

Impact: The training program equipped students with valuable skills and fostered a sense of social responsibility and empowerment, shaping them into conscientious and forward-thinking individuals.

Following are the glimpses of useful material prepared by the students after workshop
