# **Green Audit Report**

**2021 - 2022**

## **Eco Conservation Monitoring Report**

“Eco Conservation Monitoring Team” of St. Aloysius’ College (Auto.) is determined to monitor, manage and create awareness within the campus and the surroundings regarding various environmental issues. College has taken number of initiatives to protect its own environment with a pollution free campus.

### **OBJECTIVES OF GREEN AUDIT**

The main aim objective of this green audit is to assess the environmental quality and the management strategies being implemented in College. The team prepares Green Audit Report under three broad features –

1. Green and Clean Campus
2. Eco-friendly approach: Reduce, Reuse and Recycle
3. Health and Hygiene

These three features were accomplished under following aspects -

- Green and clean campus
- Plastic free zone
- Best out of waste
- Reduce, Reuse and Recycle
- Tobacco free college premises
- Health and Hygiene

The team endorses various environmental matters to propagate cognizance in surroundings by organizing various activities like nukkad natak, rallies, teaching environmental studies, training programmes, lectures, seminars, workshops, projects/ researches, debates/ speech/ poster/slogan writing competitions, etc.

## **Outputs of the Green Audit**

### **Green and clean campus**

- Rose Plantation - On 26 October, 2021, a Rose plantation was organised by the Department of Botany and Microbiology in collaboration with Nature's Club. The eco-friendly move towards beautiful rose plantation with excellent thought of increasing greenery in campus was successfully done with students. Total seventy five saplings of roses were planted in the college garden.
- A DBT-Star sponsored training program on Bonsai cultivation was organised by the Department of Botany and Microbiology for undergraduate students on 21 March, 2022. The resource person for the training programme was Mrs. Manisha Dubey. Thirty six students attended the programme.
- For sensitising our students toward the growing need for water conservation the Department of Management organised a Poster competition on "Save Water" where 2 students showcased the growing need for conservation of water for a secured future.
- Nature Club in Collaboration with Department of Botany & Microbiology & Department of Zoology Organised an e-lecture on "Parthenium: An unwanted living being" on 23rd August 2021 to mark the 16th Parthenium Awareness Week {ICAR - Directorate of Weed Research (DWR)} focusing on making people aware about "Parthenium Free" land development. The eminent speaker, Dr. Naveen Patle, Additional Commissioner, DA & FW, & Executive Director, National Bee Board, Govt. of India was invited.
- Department of Education began the new session with Social club activity i.e. "Plantation" 7 July 2021 in the college premises with the aim of Promotion of a quality oriented approach for tree management.
- Department of Education conducted a Sakora hanging activity of providing water for birds on 20 March 2022.

### **Plastic free zone**

- The Life Science faculty strictly prohibits use of plastic files by the students for assignments and project reports.

- College canteen provides disposable paper plates and cups. Plastic disposables are stringently banned.

### **Best Out of Waste**

- Under the banner of Eco fest on 28 February, 2022, Best out of waste competition was organized for the UG and PG students of Biosciences. This event was organized with an intend to inculcate values of Sustainable Development.

### **Reduce, Reuse and Recycle**

- Eco fest was organised on 28 February, 2022. Poster competition was held for the UG and PG students of Biosciences. The theme of the competition was -Plan for The Future: Sustainable Development.
- For the holistic development of the students, various competitions were organised by the Department of English under the purview of The Talent Fest 2022. One of the competition was Speech on "Waste Management" on 26<sup>th</sup> November 2021. Students enthusiastically participated in the event.
- DBT Star Sponsored, a one day seminar was organised by Department of Zoology on the topic- "Vermicomposting as an eco-tool in sustainable solid waste management and one step towards entrepreneur".  
Speaker - Mr. A. Dhananjay, Founder Tridev Organic Solution, on 1 February 2022. No. of Beneficiaries – 60 UG students.

### **Tobacco free college premises**

- Tobacco products are strictly prohibited in the college remises.
- A two day poster exhibition was held on 7-8/10/2021, on the occasion of 162<sup>nd</sup> Mahatma Gandhi Jayanti. Various events like essay writing, oath taking for being substance free was also organized in these two days.

### **Health and Hygiene**

- On the occasion of Cancer Day the department of Biotechnology organised a guest lecture on the topic 'Recent Trends in Breast Cancer Research.' Lecture was delivered by Dr. Pallavi Kulkarni, Research Scholar AIIMS Bhopal

- On 23 October, 2021 the department organised a guest lecture on “Dietary oils and health” by Dr. Daniel A. Gibleon, Bishop Heber College, Tiruchirappalli. Fifty four students of UG and PG attended the webinar.
- Guest Lecture Sponsored by DBT Star Scheme on the Topic -An interdisciplinary approach in neuro engineering for recovery of demyelinating diseases. Dr. Hemanga Kumar Das, Parul University, Vadodara was the resource person. The lecture was organized by Department of Zoology on 8 November 2021, No. of beneficiaries- 65.
- Online Faculty Development Program (National Level) was organised by Department of Zoology on the topic - “Biopharmaceuticals Technology & Probiotics” from 8-14 November 2021, DBT Star Sponsored.
  - Health Awareness Programme for girl students & female staff members was organised by Department of Zoology on 28<sup>th</sup> February 2022.
  - Red Ribbon Club in collaboration with Department of Zoology, St. Aloysius college Jabalpur organised Dengue Awareness Program on 27<sup>th</sup> October 2021. Both UG and PG students participated in Extempore.
  - Red Ribbon Club in collaboration with Department of Zoology St. Aloysius College Jabalpur organised AIDS awareness programs on 21 December 2021. UG and PG students participated in this Extempore.
  - Red Ribbon Club in collaboration with Department of Zoology St. Aloysius college Jabalpur organised a Cancer awareness program (Quiz competition +Lecture) on 7 February 2022 in Vidya Bharti Saraswati Sishu Mandir Higher Secondary School Garha Phatak Jabalpur.
  - The Women Cell organised a Health Awareness Programme on “Health & Hygiene” by St. Aloysius College (Autonomous), Jabalpur, M.P. on 12 October, 2021. The objective of the program was to impart knowledge and create awareness about health and hygiene during this pandemic time. This programme was organised for teachers and executives in the institution. The Guest Speakers were Dr. Anushree Jamdar, Joint MD and CEO, Jamdar group of Hospitals, Jabalpur, Yoga Acharya Mr. Rahul Awasthi, and Program coordinators Mr. Amit Pandey, Mr. Nitesh Pandey.
  - The women cell organised a two days’ workshop on “Sanitiser Making” in collaboration with the Chemistry Department for Girls students from 17- 18 November 2021. The main

objective of the programme was to make students aware about COVID-19 causes and effects.

- Department of Education organized poster competition and nukkad natak on world AIDS day i.e. 01/12/2021 on AIDS awareness.
