- **Goal 13 – CLIMATE ACTION &**
- **Goal 14- LIFE BELOW WATER**

20. Every year on World Ocean Day, the National Cadet Corps (NCC) both the Army and Naval wing at Aloysius College organizes a cleanliness drive in Gwarighat, Jabalpur, a location revered for its religious significance along the banks of the Narmada River, considered a pious river in Hinduism.
21. Essay competitions, posters, and slogan competitions are organized on "Save Water," which emphasizes the importance of water conservation and the need to protect our water bodies from pollution.
22. PUNEET SAGAR Abhiyan, SAVE WATER ABHIYAN, and SAFAI ABHIYAN are the yearly initiatives taken by the college towards environment conservation.
23. The conduct of a webinar on "Effect of Climate Change on Lower Marine Organisms and Their Response to Combat for students increase the awareness of Scientific outlook and Awareness”.

Initiatives Towards SDG

- **Goal 15- LIFE & LAND**

24. Under the “GREEN CAMPUS” initiative students and staff are sensitized for environmental consciousness and sustainability, working towards building a green and clean campus, through plantation drives, cleanliness drives, and rallies.
25. Applying the methodology of 5R’s (Refuse, Reduce, Reuse and repurpose) of waste management, our students learn about "waste to wealth" through hands-on training, webinars, and practical sessions, grasping the importance of waste management and understanding “When you refuse to reuse”.

Initiatives fostering to SDG

- **Goal 9- INDUSTRY, INNOVATION & INFRASTRUCTURE**

26. Value-added courses are designed in such a way as to give the students the latest knowledge regarding scientific and technological skills making them industry-ready.
27. The college optimizes its MOU's with the industry for the conduction of internships and field projects, under the support of IIC the students have developed 5 innovative organic, eco-friendly and herbal products.
28. Through departmental seminars, educational/field/industrial visits, and other associated activities not only infuse curiosity among students but also demonstrate the importance of basic business ethics in a work environment.
29. To make the students better understand the real challenges and scenarios of ethical work concerns, conduction of role plays, comprehension of case study to the concern areas and done .
30. To infuse the leadership skills and ethical practices that transform them to be industry-ready and face life challenges, Academic, Tech, and Cultural Fest are conducted.
31. To help the students better understand the corporate work and its ethical concerns, workshops, guest lectures, and internships for students that are a supplementing component for students are organized.
32. Internships assisted by placement cell and Internshala help students to get real-time experience in the working environment and help them develop employability and life skills.

To summarize SAIL - St. Aloysius Intricate Learning comprehensively embraces the intellectual, emotional, and social growth in our students. St. Aloysius Intricate Learning (SAIL) aligns education 5.0 with the Sustainable Development Goals (SDGs) and the New Education Policy (NEP) 2020, which both advocate for inclusive and equitable quality education that promotes our learners towards SASHAKT and VIKSAT BHARAT abhiyan 2047.
